

LMG Annual Plant Sale

by Marissa Jones

Tis' the season for LMG's Woodland Wildflower and Sun Loving Plant Sale! We are proud to again offer some of our fan favorites as well as a selection of new species! Plants are pre-ordered online with plant pick-up at the Ostermeier Prairie Center two weeks later.

See the list of our Woodland and Sun Loving plants below. If you are just getting started and uncertain where to begin, consider purchasing plants from one of our suggested Starter Packs (please see website for full details). We believe these plants are beginner friendly, easy to manage, and grow well together. Beyond adding aesthetic colors and texture, most of our selection will offer additional wildlife benefits to your garden! Check out the Woodland and Sun Loving plants shopping list below, and pre-order your choices online at www.lincolnmemorialgarden.org.
